OUTCOME OF THE PROGRAMME: The main objective of the program was to make the students aware of different job prospects and recruiting procedures. The resource person explained the structure and procedure that is to be followed for the selection of the candidate by various educational institutions and also by the recruiting agencies. He made the students aware of how to prepare themselves for future and to make themselves employable. Students from all the streams had participated in this program. At the end of the program students asked many questions and clarified their doubts. They were immensely benefitted from the program.
