In view of the Government Notification we hereby ask students from outside Shillong and outside Meghalaya to be available in Shillong for classes and practical, the schedule will be uploaded on the College website before 10th September, 2021. In the meantime online classes will continue as per the earlier notification and the Class Routine is uploaded on the College website.

For the 1st semester students, the online interaction will take place as per the schedule and classes will start from 15th September, 2021.

The syllabus may not be covered due to restrictions for a number of students on the College Campus; hence, we will follow a blended mode with a proper Class Routine to ensure that the syllabus is covered.

We encourage students who are 18 and above to go for vaccination and to strictly follow the protocols given by the Government.

Students are allowed to visit the Library by following a schedule which will be given on the College website.

We wish you all the best and let us work together to achieve your goals.
