

St. Edmund's College, Shillong

MSW Prospectus 2021

Principal's Message

Dear Friend,

Greetings from St. Edmund's College, Shillong!

This year St. Edmund's College is 98 years old and friends, by choosing to come and study in St. Edmund's College, you have taken an important step to join the rank of achievers in different spheres of life. They continue to contribute to knowledge, positive thinking and lead from the front in various places around the globe and they are proud to be Edmundians.

As you embark on this journey of life, as a student, it is important for you to make correct choices regarding the course of your study and the institution you want to pursue your dreams. The decisions that you make will be crucial for you to achieve your aims and goals that you have set for yourself.

It has been a tradition in St. Edmund's College to provide opportunities to excel in every field and this has been widely acknowledged in the State, the North East, our country and across the world. In 2015, the College was awarded STAR STATUS under the Department of Biotechnology Government of India thereby becoming the only College in Eastern India to achieve this feat.

Friends, be assured that once you are admitted to St. Edmund's College, it will be our endeavour to guide and assist you in discovering yourself and your potential in making your dreams and goals a reality.

As we welcome your application for admission, we sincerely hope to admit you to the College – however, your admission will greatly depend on your academic performance in your previous course of studies or your performance in the entrance test that might be conducted. Whatever may be the outcome, the best wishes of all at St. Edmund's are always with you.

God bless you,

Sd/-

Dr. Sylvanus Lamare

Blessed Edmund Ignatius Rice the Founder of Christian Brothers

Edmund Ignatius Rice was born in Callan, Ireland, in 1762. Edmund had the good fortune of being brought up in relatively comfortable life while the majority of his countrymen were relegated to near destitution due to the policy of religious persecution of the occupying British Government. At the age of seventeen, after a childhood spent on the family farm, he was apprenticed to his uncle, a merchant in Waterford, South-East Ireland. Edmund prospered and became the owner of the business and at the age of twenty five he married Mary Elliott. Two years later she died leaving him a physically challenged daughter for whom he cared lovingly throughout his life.

Edmund was known for his spirit of prayer and his practical charity. Though attracted to a life of prayer in a monastery, he realized, through a conversation with a friend and the example of Nano Nagle, Foundress of the order of Presentation Sisters that God was calling him to work for the destitute, ignorant people, especially the youth.

Edmund spent his entire life in helping the poor personally. He undertook legal proceedings to ensure that money left to help them went to them and not to dishonest officials. He regularly visited the prisons, consoling the condemned and provided them with hope for a better world.

Though Edmund helped the poor in numerous ways, he saw that a holistic, value-based education as the best means of making them aware of their human and spiritual dignity as children of God. In 1802, at the age of forty, he sold his business and, unassisted, opened his first school in a converted stable in Waterford. His courageous example attracted followers. In 1808, with six companions, he made vows as a religious Brother, marking the foundation of the Congregation of Christian Brothers.

In the beginning the Brothers owed obedience to the local Bishop, being known as Presentation Brothers. In 1822, Edmund and most of the Brothers adopted a central organization and the Christian Brother rule of life was approved by Pope Pius VII. Those Brothers who remained Diocesan retained the name, Presentation Brothers.

Edmund was a strong, rounded personality, intelligent and practical. He was balanced in temperament and appreciated the efforts of others. He was remarkable for his trust in Divine Providence. He died on 29th August, 1844. Till today, in many places around the world on the six continents he is venerated for the holiness of his life. His remains rest in the Chapel of the Blessed Sacrament, Mount Sion, Waterford, Ireland.

During his life time, his work spread throughout Ireland and to England, Gibraltar and Australia. Today his Brothers continue his mission in over 400 foundations in thirty countries. Edmund Ignatius Rice was beatified by His Holiness Pope John Paul II on the 5th of May, 1995.

Edmund's charisma continues to inspire many men and women around the world. Fired by his spirit they carry on his message to the youth of today. Besides the Congregations of the Presentation Brothers and the Christian Brothers, the worldwide Edmund Rice Network focuses the zeal and

enthusiasm of many who wish to commit their talents and time to the work envisioned and started by Edmund.

His spirituality that of brothers and sisters who break the “Word” of God experienced in their lives to each other in community is especially relevant in our world today.

Invitation of the Spirit

(An extract from the Document on the Congregational Chapter held at Munnar, India in 2008)

The time is now! The place is here! You are the people!

This is my invitation to you.

Come; follow me to the edge, into the deeper and wider dimensions of Living, that you may discover the God who awaits you.

It is at the very heart of Existence that you will find life in its fullness.

I came to bring Life and I wish you to live it to the full, and to carry it to the very edge of the Universe.

Enter into the core of your being, into your stories.

You know me in your stories, in your living traditions and in the deepest moments of joy and pain.

Have courage! Let go the chains with which you will bind me.

I am waiting for you beyond your boundaries, your concepts, your understandings.

I walk with you in places of the heart beyond your wildest imaginings.

I am your source, your energy, your passion.

Fly free as Edmund did before you to new horizons, to the unknown, the not yet imagined.

Throw open your windows and let the fresh air in

Open wide your shutters and allow me to inflame you.

Dare to enter my Mystery and become hope for the world.

Risk being different! Risk leaping and falling!

Remember, falling is the privilege of the living

And even as you encounter loss, fear, despair and death, know I have been there before you and will be with you always.

Trust me. Dare to me my disciples. In you I am doing something new!

Brief History of the College

The Christian Brothers were invited to Shillong in 1915 and St. Edmund’s College began in 1916. It was in 1923 that St. Edmund’s College, University Section, as it was known then, started Inter-Arts and Inter-Science classes, which were affiliated to Calcutta University. Bro. J. E. McCann was the first Principal of the College, University Section (he was also the Principal of the School, St. Edmund’s College). Bro. I. O’Leary was the first Principal of the College (when separated from the School).

St. Edmund’s College, Shillong is one of the premier institutions of the North East of India and Meghalaya in particular. Since 1923, till the present day, St. Edmund’s College has maintained its excellence by regularly introducing new courses, updating its infrastructure, achieving the highest academic records and maintaining discipline among the students.

From 1923 to 1936, St. Edmund's College was a junior college for Intermediate Arts and Science. At that time the college offered English, Alternative English, Latin, History, Maths, Geography, and Physical Chemistry as subjects for Arts and Science. Today, St. Edmund's College has made commendable progress and has opened up different departments of various honours course in Humanities (Economics, English, Geography, History, Khasi, Political Science and Sociology); in Science (Biochemistry, Biotechnology, Botany, Chemistry, Computer Science, Electronics, Environmental Science, Mathematics, Physics and Zoology); Commerce, Computer Application, Bachelor of Social Work (BSW) and Master of Social Work (MSW).

Besides achieving000 academic excellence, the college also works towards the development of the personality and potential of the students. Many programmes have been introduced in the college to tap the potential and prowess of students and to help bring them to the forefront. St. Edmund's College is proud to have been the mold of several eminent personalities who have carved a name for themselves in the field of politics, academics, medicine, engineering and technology, bureaucracy, judiciary, fashion technology etc.

The College celebrated its Platinum Jubilee in 1999. Over the years, the College has endeavoured to instil in its students a love for excellence, integrity, concern for one's fellow human beings and the preservation of the environment in an atmosphere conducive to the awareness of God.

St. Edmund's has been assessed and accredited by NAAC in three cycles that is, 2003, 2009 and 2019. In 2015 the College became the First and the only College in Eastern India to be Awarded STAR STATUS by the Department of Biotechnology Government of India for Biochemistry, Biotechnology, Botany, Chemistry, Physics and Zoology. In 2016 the Department of Biotechnology, Government of India extended the STAR Funding to Computer Science, Electronics, Environmental Science and Mathematics departments.

The College has an active research centre in Biotech Hub and Bioinformatics Centre funded by the Department of Biotechnology Government of India. The College creates an environment where the all-round development of the individual is promoted with dignity, principally through right relationships with God, with others and with the whole of the creation.

At St. Edmund's, we endeavour to encourage our students to use their imagination and intuition as tools to initiate change. Sensitization towards a need to bring about equality and change in the society and the world as a whole the interests instilled in the minds of our students, thus, making them more responsible citizens.

The College Motto: "FACTA NON VERBA" (DEEDS NOT WORDS)

Educational Goals and Objectives

We, the Staff of St. Edmund's College, are convinced that Education has the potential to transform society and thus we commit ourselves to:

Working together to create a NEW SOCIETY where people would accept each other as brothers and sisters under the common parenthood of God.

Accepting religious and cultural pluralism in the conviction that "Unity in Diversity" is part of God's plan for humanity.

Creating an environment where the all-round development of the individual is promoted with dignity, principally through right relationships with God, with others and with the whole of creation.

Collaborating with all people of good will in order to usher in a more just, peaceful and compassionate climate in society.

To assist the poor and oppressed in their own advancement and development
Inspired by this Vision and operating out of the conviction that we are called by God to partner Him in the creation of this NEW SOCIETY, we will

Share this vision with our students and past students and their parents, so that the college community has a common motivation.

Through Value Education sensitize our students to social needs.

Educate our students to be open to all religions, promoting inter-relatedness leading to integration.

Sensitize our students towards ecological preservation and restoration.

Provide opportunities to our students to reach out even more to the under-privileged, the marginalized and those oppressed by social and gender restrictions.

Promote flexibility and innovativeness to make our courses of study more occupationally relevant.

COLLEGE FEE: The Governing Body of the College, in its meeting held on the 7th March 2002, decided to charge a College fee, with effect from the admissions to Degree 1st year 2002. This decision was taken in response to the Government's letter to Colleges: No. EDN/136/98/466 dt. 2nd November 2001, freeing Colleges to enhance fees to meet the payment to non-sanction of Professors of the College. It is also meant to meet the need of the College to employ additional Staff (teaching, Office and non-teaching) when required. It is the desire of the College to retain the services of well qualified and permanent Staff for the benefit of the students. Kindly note that the College Fee could be enhanced each year.

PLEASE NOTE:

- Should situation demands, the fees may be marginally changed even during the semester.
- Should a student decide to leave the college at any time of the session or expelled from the college, he/ she shall be liable to pay the outstanding amount of the "fees payable" for the given Semester.

EXAMINATIONS & ATTENDANCE

Internal Examinations, assignments and attendance:

Under the Semester System there is continuous evaluation of a student. The total marks for each subject is 100 out of which 25 marks is for internal examinations and assignments. Hence, the College will conduct internal examinations and assignments from time to time and students are expected to prepare themselves and attend them without fail. Students who do not attend internal examinations and assignments will not be allowed to appear in the end Semester examination.

Marks are given periodically and after every internal examination. Parents are urged to check the internal marks because they are an indication of the student's performance and seriousness and will be added to the final marks to be issued by the University.

Students are required to be present and on time on all class days. Students who are absent for even a day, are to have an excuse note written by their parents. For longer absence parents are requested

to meet the concerned Head of Department and / or Principal and in case of illness to produce a medical certificate from a registered medical practitioner.

A MINIMUM OF 75% ATTENDANCE is required if a student is to be sent up for the final examination. A student having less than the required percentage of attendance is liable to be barred from appearing the University Examination. Parents are earnestly requested to help us by checking with the respective Heads of Department from time to time regarding the attendance of their wards.

Any student who is absent for TWO SUCCESSIVE CALENDER WEEKS, without prior permission, will have his name removed from the Register. Students and parents will to sign an undertaking for class attendance in the format provided by the college.

RAGGING

Ragging of fresher's / juniors in many institutions is a matter of social concern. Ragging in any form (Physical, Verbal and Mental) is totally prohibited in this institution. Anyone found guilty of ragging and / or abetting ragging, whether actively or passively is liable to be punished in accordance with the "UGC Regulations on curbing the Menace of Ragging in Higher Educational Institutions, 2009". Every student is expected to register online in the anti-ragging cell under UGC.

Our institution is free from ragging. However, there is an Anti-Ragging Cell in place, comprising senior students and teachers' in-charge. Members of this cell are always vigilant that no ragging to fresher's / juniors occurs in the College Campus or Hostels. Hostel wardens are empowered to take action against students indulging in ragging as per the UGC regulations. The Principal of the College shall act immediately in response to the information received from the Anti-Ragging Cell.

If any student is found using mobile phone or MP3 / MP4 players inside the College building area (classroom, laboratories, Veranda etc.), the mobile set or players shall be confiscated.

Students using social media have to maintain decorum that do not hurt the sentiments of the Institution, management, staff, fellow students or any one in society. Any misuse of social media by a student or groups of students in any form will be dealt with as per law.

COLLEGE LIBRARY

The college has a well-equipped library for the young academician. It has a good collection of books both primary sources and secondary sources. The library also maintains national and international journals/magazines and newspapers (local, regional and national) and has easy accessibility by the students. Question banks are stacked on racks for quick reference and as modes of practice to the students. The students are also provided with Internet facilities that would enable them to rummage around for profound reading materials related with their course of study.

The library has an ambience of learning conducive and stimulating to the minds of the students. Students are encouraged to become erudite users of the library.

Library Caution Money is: Rs. 1000.

The library caution money is to be deposited before an admission form is issued from the office and is refundable on production of Caution Money Receipt at the end of the course of study. **The Library Caution money will have to be collected along with the mark sheet at the end of the 6th semester on production of the original receipt. If the amount is not collected by a student within 1 (one) month after the declaration of the 6th semester result, the money will be utilized for the development of the College Library.**

- Each student will be issued 4 (four) Library Cards which will have a record of the books borrowed. These cards will be issued at the beginning of the course on producing the College Identity Card signed by the Principal and the Caution deposit Receipt.
- Students will be allowed a maximum number of 4 (four) books at a given time from the Library. A student may keep the book for a maximum period of 14 (fourteen) days only for general books and 7 (seven) days only for course books, after which it will have to be returned to the library. - (b) National and International Seminars: At least two National or International seminars are conducted in the college each year.

G. College Month: St. Edmund's College is the only College in the city that dedicates one full month towards creativity and recreation of the students. This one month favours the students with participation in activities like sports, cultural and co-curricular activities.

H. Sports: St. Edmund's College also works towards the development of both the mind and the body. Sports play a vital role in the lives of every Edmundian. There are both indoor and outdoor games for the students. The college campus has two basketball courts, two football fields, one cricket field, practice cricket pitches, a volleyball court and a throw ball court for the outdoor games and several indoor games like table tennis, chess and caroms. The college also has a football team, a basketball team and a cricket team for participation in all inter-college tournaments. Reputed coaches for the above sports are employed by the college for better guidance and improvement of the students in the field of sport.

I. Indoor Gymnasium: St. Edmund's College has a well-equipped indoor gymnasium to encourage students to build their physical and mental health. The Gymnasium has a specialized trainer to provide guidance to the trainees.

J. Audio / Visual Room: Keeping up with modern technology, St. Edmund's College provides its teachers and students with modern techniques of imparting knowledge to the students. The Audio-Visual Rooms are spacious and have projectors (overhead and LCD) that provide added and better means of teaching and learning for the students. Films related to the course of study are screened from time to time for the better understanding of the particular subject. To think ahead of chalk and duster and to keep pace with the modern day technique of teaching, St. Edmund's College provides all its lecture rooms with LCD projectors which are used for the power point presentation by teachers.

K. College Hostels: The College also maintains hostel facilities for the benefit of out-station students who come from other states and countries as well. Hostel admission is provided on the basis of merit only. It is important that the students' performance throughout the course of study be excellent to retain a seat in the hostel. The pupils are expected to maintain discipline and a feeling of brotherhood with one another in the hostel and the community at large. Presently the College has two Boys Hostels (The Bro. O'Leary Hostel and the Bro. Foley Hostel), each with a capacity of 50 students in each. The College has also started a Girls' Hostel from the academic sessions 2013-14 with a capacity of 50 only. Those wishing to apply for a Hostel seat may purchase the Hostel Prospectus from the hostel wardens and submit the form enclosed there, immediately after admission into the College, to the Rector's Office. When meeting the Rector, the applicant should be accompanied by her/his parent (s) and the local Guardian.

L. Mentoring: A valued tradition at St. Edmund's College is the close bond between students and Teachers. This has been formalized in recent years into a regular mentoring programme. The College highly regards this one on one interaction between the teachers and the students. This has proved successful in providing students with an opportunity to open up to a responsible and concerned adult their views and opinions with regards to their academic, social and even individual concerns. This has further enhanced the teacher-student bond. Two trained counsellors are available should the need be felt for personal counselling.

M. Career Guidance and Counselling: The College has a Career Guidance and counselling cell. There are two members of the Teaching Staff who coordinate the activities of this cell. The purpose of this cell has been to keep in touch with various companies seeking campus interviews and they facilitate their interaction with the students. The centre also organizes regular career guidance seminars.

N. College Canteens: The College has two canteens and a Coffee Shop. The College canteens have a total seating capacity of 150 students at any one period of time. The canteens are open from 7.00am to 7.00pm. Students are encouraged to spend their free time in the College Library, while making adequate use of the canteen facility for social interaction.

O. Student Feedback: The College respects the opinions of all its stake-holders. Significant among the many stake-holders are our students. Each year, at the time of collection of the Admit Cards for

the University Examinations the students are invited to assess the College on all fronts. This assessment is collated and presented to the College Governing Body, IQAC and Staff, who suggest remedial measures if necessary.

P. On Campus Recruitment: Many agencies come to the College to recruit candidates for various positions. The College provides the logistics for such recruitment and students are the beneficiary.

Q. Bioinformatics Facility: The Bioinformatics Infrastructure Facility (BIF) for biology teaching attached to the Biotechnology Department of the college was established in 2009 under BTISNET programme of DBT, Govt. of India. The centre facilitates the use of databases and software's packages required by the undergraduate biotechnology students and teachers with an aim to provide up to date accurate information in the field of biotechnology and bioinformatics. The centre also provides services such as online bibliographic references search through network, offline literature search through CDROM server, electronic mail, internet, statistical interpretation of research data, training programmes, workshop on bioinformatics and current awareness services etc. Since its inception, the centre has been engaged in organizing workshop, trainings and also has published many publications in peer reviewed journals. The main area of specialization is protein engineering, environmental biotechnology and bioinformatics. The centre invites all the students of the college and the nearby areas to make use of the facility developing their IT skills. (Visit: www.bifsec.com / email: stedmundc.btisnet@nic.in)

R. Advanced Biotech Hub Facility: The Institutional Biotech Hub Facility, located at the premises of the Biotechnology Department of the College, established in 2012 is funded by DBT, Govt. of India. The broad purpose of the facility is to promote education and research in biology/life Science/biotechnology and to attract brilliant young students to build their career in different fields of biological sciences/biotechnology. The support under this programme has been provided initially for a period of 3 years. The hub has state of art facilities with a world class infrastructure, with basic sets of instruments for biotechnology research. The major activity of the hub is to provide training to students and teachers on basic biotechnology research and also to collaborate with other institutes for research activities. Presently the hub is focusing on the gene and protein characterization, structure prediction, molecular docking of cyanobacteria in context to the dye decolorization. Furthermore the centre is also emphasized on in silico based modelling of various enzymes that are important for metal stress in cyanobacterial system. Besides these, the hubs would provide online library resources and animations for the undergraduate students of biology. The hub invites all the students and teachers to use the facility.
