

2024 Edmundian of the Year Nomination

The Department of Mathematics is pleased to nominate Y Sanjeev Kumar Singha, a B.Sc Final Semester Mathematics Honours student, as its nominee for the Edmundian of the Year Award, 2024.

Sanjeev is a well-mannered and polite young man of pleasant disposition. Responsible and reliable in Departmental affairs, he is equally sincere, diligent and capable in academic matters.

What stands out about Sanjeev is his natural leadership flair; he commands the respect of his peers and is looked up to by his juniors. He is equally at ease in organising myriad Departmental events as he is in participating in the many extracurricular activities on offer. He is a champion sportsman, whether it be table tennis, football or cricket, and have won numerous laurels, both in the College and for the College. Sanjeev's ultimate collegiate legacy will be the Table Tennis Club, of which he is the founding President.

The Department wishes him the best in all his endeavours.
