REPORT ON THE WORKSHOP

1. TITLE

“Interactive session on the real world applications of Biotechnology”

2. **Duration:** 1 Day

3. **Dates:** 12th April 2023

4. **Resource Person:** Ms Devatrisha Purkayastha, JRF Fellow, IISER, Pune
India

5.: **No of Participants:** 41

5. Outcome :

Department of Biotechnology organized a Lecture featuring a former student Devatrisha Purkayastha graduated from the Biotechnology Honours course in the year 2018. The lecture aimed to provide the present students with valuable insights into the real world applications of Biotechnology and to inspire them to excel in their studies and future carriers.

Devatrisha, an accomplished alumna of the department started the lecture by sharing her journey from being a student to her present professional role. She emphasized the importance of hard work, continuous learning and adaptability in the field of Biotechnology. During her talk, she covered a range of topics relevant to the field of biotechnology like her personal experiences as a student and how she navigated the challenges to achieve her goals. She also discussed on various emerging trends in biotechnology, industry insights and importance of soft skills.

Interactive session on the real world applications of Biotechnology

By
Ms. Devatrisha Purkayastha
JRF Fellow, IISER, Pune

Organised by
Department of Biotechnology
St. Edmund's College
Shillong

Date: 12th April 2023
Time: 11:00 AM
Target Audience: BSc 5th Semester
Honours Students
Venue: Institutional Biotech HUB

Fax: (0364) 2223234
