REPORT ON – Women and child issues the Meghalaya Context.

A lecture on “Women and Child Issues- the Meghalaya Context was held on the 20th of September, 2022 at the College Auditorium where former Head of Department and current Chairperson of State Commission for Protection of Child Rights , Government of Meghalaya, Ms. I. M. Syiem, was the Resource Person. The objective of the lecture is to sensitize on the pressing issues confronting the women and children community in a matrilineal society as there is a common misunderstanding that the problems faced by women in particular and children in general is relatively lesser as compared to other societies since it is matrilineal. The other objective is to highlight on the changes which has entered the family fold affecting basic principles and values associated with the institution of family. The target audience was the major students of the 2nd. 4th and 6th semesters of the department and the akin departments of Khasi, History, Political Science, English, Geography and Economics were also present. The members of the management were also present and faculty from the mentioned departments were also present to listen and interact with the resource person on this very important topic. The outcome was a deeper understanding and a generated concern about the various issues as explained by the resource person.
