

Took 5th Semester students to a **Field Trip** at **Sharawn Tea Estate**, Sohryngkham (Proprietor was a former student of the Department) under the supervision of Miss F.E.J. Syngai, Miss Ritisha Kharshong and Sir William B. F. Lynrah. Dated 7/09/2019

Objective: To understand Marx Theory on Economy and Society, particularly how Relations to the Means of Production produces an impact on the social standing of the people.

Feedback: The students reported that the visit to the Tea Estate enable them to understand what Marx was talking about and also the Line and Work division so essential for the running of a factory. The Estate used simple machines, and employed semi-skilled and unskilled workers.
