

Report on the Interactive Session with Shri Ankur Das, IAS, organised by the Department of Political Science on 12th August, 2022

An interactive session with Shri. Ankur Das, IAS (2022), was held on 12th August, 2022 in the college auditorium. The session was organised by the Department of Political Science St. Edmund's College and was attended by the faculty of the department as well as other departments, students of Political Science department as well as some students who had graduated recently.

Since many students have shown keen interest in pursuing a career in Civil Services, it was felt

that this session would provide an excellent opportunity to not only inspire and motivate students but also offer a platform for them to clarify any of their doubts and questions regarding the exam in particular and the profession in general.

Mr. Ankur spoke on the general structure of the examination and added a personal touch to it by adding some of his experiences in every phase of the exam, particularly the interview stage. The response and feedback were overwhelmingly good. Students participated enthusiastically by asking the guest various questions in the Question-and-Answer session. The questions dealt with a range of topics, from practical queries on the examination to the life in the Civil Services.

The session ended with the guest hoping that more youth from the college and the region would seriously consider a career in the services and play a positive role in uplifting their communities, region and the country as a whole.
