

St. Edmund's College Department of Commerce

The Department conducts the following activities:

- Live online classes are being taken using ICT on different platforms (Google-meet, Zoom etc.) regularly by all the faculty members following a fixed time table framed by the institution.
- Group discussion, presentation, extempore speech, quiz etc. are being conducted online/off-line to develop the communication skill and in-depth knowledge of the subject.
- The Department organizes annual Food Fest, Management Quiz Competition, Field trip etc. and also publishes Newsletter every year where students contribute immensely.
- Webinars, Workshops, Popular talks are organized for overall development of the students.
- The Department is having a separate Library exclusively for Commerce students other than the College Library.
- Mentoring and Counseling is being initiated by the teachers from time to time for confidence building and overall development of the students.
