

Department of Electronics
St. Edmund's College
NAAC Accredited A

1. **Title:** "Data Science : Emerging Bridge Across Academic Disciplines and Industry Introduction to Semiconductor Devices
2. **Objective :** The talk aims at introducing the students not only to the emerging field of "Data Science", but also helping them in identifying the gaps in their skillsets so that they are job-ready for the industry
3. **Dates:** 4/11/2023
4. **Duration:** 3 Hours
5. **Collaborations :** Gauhati University
6. **No of participants students:**36
7. **No of Participants faculty:** 5
8. **No of participants others:** 1
9. **Outcome:**Students got A new topic for themselves to explore and it gave them an insight about data Science
10. **Feedback:**The program gave the participants a basic understanding about the application of data Science in various field and the resource person interaction with the students has help them understand how the research can be taken seriously by students.
