

## Report On Guest Lecture

Guest Lectures have always been a great form of imparting valuable information and the Department of Commerce has yet again witnessed an interactive session..

The programme scheduled on the 21st of March, 2018 at 9:00 A.M. in the College Auditorium was flagged off by a speech from Mrs. K.K. Elizabeth, the Head of the Department of Commerce and was hosted by Prof. Goutam Deb. All preparations were set to welcome the respected Guest Speaker.

The students of the Department of Commerce received valuable information from the Guest Speaker, Dr. Rahul Singh, ITS (Assistant Director General of Foreign Trade) on “Opportunities in International Trade”.

The lecture he delivered highlighted various aspects of International Trade that occur around the world— its impacts on our economy and the concept of ‘dumping’ that countries espouse to secure monopoly over the International Market and its adverse effects on other economies of the world. There was a Question and Answer session as well where the students were given the opportunity to communicate their doubts openly and freely talk about some of the matters discussed. Following this was a vote of thanks that was delivered by Dr. Dipankar Shome.

The Department was also very grateful to our respected Principal, Dr. Sylvanus Lamare along with various faculty members from other Departments for adding glamour to our event, as well as the volunteers and the canteen staff for their admirable contributions and support.
