12. OUTCOME OF THE PROGRAMME:

The National Science Day was celebrated via an online programme. Due to restrictions imposed by the ongoing Covid-19 pandemic the program had to be conducted online. The program aimed at reviving the fire of determination in students to pursue a path in Science which might have dampened due to the pandemic. The program consisted of two sessions; the 1st session was presented by the 1st Semester honours students. While in the 2nd session, the Guest faculty, Mr. Abhshek Thapa gave the presentations. The sharing of information on honoring and encouraging the scientific discoveries and innovations in the past, present and the days ahead was done through a power point presentation. The students had an opportunity to

know about the extensive contribution made by Sir C.V.Raman in field of spectroscopy. The Students enjoyed and had a wonderful time with Scientific thoughts, Technological marvels and the Innovative approaches of the vibrant scientific atmosphere all around them.
