Report

Bizz-Builders successfully organised its inaugural seminar themed, '*Proactive, Progressive and Sustainable Meghalaya: Role of Entrepreneurship and Education*' on October 5, 2023. The significant event was not only a tribute to World Teacher's Day but also a pivotal part of the centenary celebrations of the esteemed St. Edmund's College. The collaboration between Bizz-Builders, Department of Commerce and IQAC at St. Edmund's College ensured the seamless execution of the intellectually stimulating forum.

The overarching objective of the seminar was to illuminate the symbiotic relationship between entrepreneurship and education and how they can collectively contribute to economic growth and social development of Meghalaya. This seminar aimed at fostering a culture of entrepreneurship and explore how education can empower individuals to become successful entrepreneurs.

Noteworthy individuals graced the occasion as speakers, sharing their insights and experiences. Smt. Jacqueline Audrey Swer, Senior Manager (Incubation) at PRIME Meghalaya added depth to the discussions. Prof. N.M. Panda, Department of Commerce, NEHU brought academic perspective while, Shri. Lalrokunga Chhakchhuak, Asst General Manager at NABARD and Shri. S. Pauminthang, Asst General Manager of SIDBI enriched the discussion with their practical expertise. Their collective expertise provided a multifaceted exploration of the symbiotic relationship between entrepreneurship and how education serves as an empowering force in cultivating successful entrepreneurs.

The seminar consisted of engaging presentations, interactive discussions, and Q&A sessions, providing a platform for attendees to actively engage with the speakers and share their perspectives. The seminar garnered participation of almost two hundred students and received positive feedback from both, the participants and the speakers.

The event was coordinated by the student Core Team of Bizz- Builders:
