12. OUTCOME OF THE PROGRAMME:

Women and children have faced a lot of abuse and harassment since long before the pandemic. During the pandemic, the cases of domestic violence has increased and with the lockdown and schools being shut, children coming from vulnerable homes are left to face a number of consequences especially with a high stress level over many overwhelming situations such as, unemployment which would subsequently lead to poverty etc. The Student learnt that the organization has been able to come up with ways to bring down the cases during such a time through the help of technology and awareness programs as well as collaborations with other organizations
