

REPORT ON CELEBRATION OF INTERNATIONAL DAY OF WORLD INDIGENOUS PEOPLES

AUGUST 9TH, 2024.

The Sociology department of St. Edmund's college joined hands with the international community to celebrate The International Day of World Indigenous Peoples on the 9th of August, 2024.

The program is divided into three segments-

-It started with a Lecture Session delivered by the faculty members of the Department, in relation to the United Nation's Theme for this year, "Protecting the Rights of Indigenous Peoples in Voluntary Isolation and Initial Contact".

-The theme was elaborated in the different posters that capture aspects of the theme of the celebration. The posters were prepared by the 5th Semester students of the department. The students were divided into groups and each group prepared two posters and narrated the meaning of each of them. The posters were then displayed in the college campus.

- Screening of a special video clip as released by the United Nations.
