OUTCOME OF THE PROGRAMME: Many students dream to go to US for higher studies. Some can make it and some cannot due to reasons like lack of proper knowledge of institutions, of facilities available and some due to financial issues. The resource persons for this program gave the students information as to how to go to the U.S. for pursuing higher education in various educational institutions. They explained the students about the various facilities provided by the government of India and US and scholarships available. They also explained the structure and procedure that is followed for the selection of the candidate by various educational institutions in US. Students from all the streams very enthusiastically had participated in the program.
