WEBINAR REPORT

The flyer with the registration link was shared with the students from the Departments of Political Science, Sociology, Social Work and Economics. The webinar link was emailed to all who registered. The invitation was also shared in the whatsapp group of HODs requesting them to share with their department colleagues. The webinar went a little beyond two hours with plenty of queries from both students and faculty members for Prof B. Mishra.

> What are the 2 important takeaways for you from the Webinar?

Enlightening and informative	1. Whether Government intervention is necessary or not for an economy to prosper. 2. North East states are still very reluctant in accepting change, hurdles exist.	
There is a need of developing infrastructure first. That would automatically allow one to reduce dependence on the Central Government.	The first major takeaway was the talk on laissez-faire w gave me a new understanding on the topic. The second would be the importance of the field in the matters of lo governance.	d
