

DEPARTMENT OF ECONOMICS

WEBINAR REPORT:

31st October 2020: 4 pm

- The department conducted its first webinar. The primary purpose was to provide information to students regarding MBA.
- Not being sure about the interest and participation level, the dept conducted the webinar only for economics major students.
- Resource Person was a student of Economics department and currently working
- Google form for registration was circulated
- Though no official feedback was collected, we were able to gain insights on the basis of their participation in the open session
- Some students sent messages of appreciation.
- The Department discussed the possibility of engaging more former students in the future for such student-centric webinars
- We also decided to invite students from other departments
- Certificates were provided to all participants
