## 6. PROCEEDINGS OF THE SESSION

### Summary of the Interaction with the Students

The session began with an introduction by Mrs. Sabari Sarkar Dhar, who outlined the objectives and significance of the job certification course. Vice Principal( Administration ) Prof. Monotosh Chakraborty addressed the session then ,Experts from Nishant Infosys then took over, providing insights into the skills and knowledge required to excel in the job market. Key points included:

- Practical Knowledge and Modern Infrastructure: The course emphasized practical learning through hands-on sessions using modern infrastructure.
- Flexible Class Timings: The flexible schedule was designed to accommodate students from various streams.
- Preparation for Future Employment: Experts guided students on how to prepare for future employment, focusing on essential skills and industry expectations.

#### Concluding Proceeding

The session concluded with a Q&A segment where students asked questions and clarified their doubts. The interaction was highly beneficial, as students gained a deeper understanding of job market requirements and how to enhance their employability.

#### 7. FEEDBACK FROM THE STUDENTS

A feedback form was given in form of QR Code for the students' to response about the session.

Key feedback points included:

- The detailed insights provided by experts were highly appreciated.
- Students found the session interactive and informative.
- Suggestions for demo class and more interactive activities.

## 8. APPENDICES

### Flyer of the Event

The flyer features a black and white photograph of a diverse group of students at the top. Below the photo is a QR code with the text 'Registration Link' underneath it. The main text is set against a black background with white and red accents. It announces a one-year job certification course in collaboration between Nishant Infosys, Kolkata and St Edmund's College, Shillong. The course is for a 'Certified Cloud Software Developer' and is open to students from various academic backgrounds who know HTML, Java/C++, or other programming languages. A prominent red rounded rectangle contains the text '100% JOB ASSISTANCE'. The course starts on August 1st, 2024. At the bottom, logos for Nishant Infosys and St Edmund's College are shown, along with their respective addresses and contact information.

9 responses

Any suggestions on how to improve such programs in the future?

4 responses

No suggestions

No suggestion, it was good

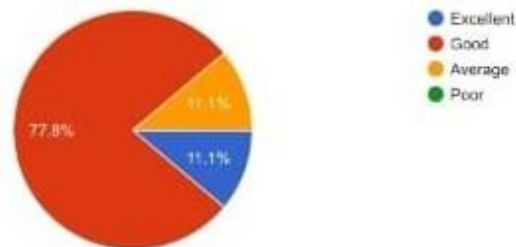

The course provided sounds very promising, however most of the students in general have trouble with the amount of fees to be paid as not everyone comes from a financially sufficient family and some of us are self earn and independent. So reducing the fees would marvelously help the parents as well as the students in general.  
Thank you

No

How would you rate the overall content of the programme?
