

REPORT ON TREASURE HUNT

DATED: April 6, 2022.

TIMING: 8:30am.

An inter-group treasure hunt was organized for the students on 6th April 2022 in room ,11 and 12. It was a time bound activity and the group that would solve all the clues and collect the tokens first would be declared the winner. There were 3 rounds. 1st and 2nd round were mass elimination rounds and every clue led to the next round. The 3rd round was subdivided into 5 rounds. Various parts of the college premises were used to place the tokens with the help of the teachers, the animators and the volunteers.

There was a lot of exhilaration as students ran from pillar to post scanning all the possible locations of where the tokens might be placed to pass on to the next round. Each clue was in the form of a riddle that hinted the location of the tokens and the students thoroughly savored decoding the hints. There was display of tremendous team work and coordination among the group members.

In the end, it was ironically a “treasure” for us all who organized the event as we saw the enthusiasm and passion of all the students who participated and the winners with smiles on their face after finding the final clue.
