

Edblazon 2022

Event - Traditional Archery

Date - 6/04/22 and 7/04/22

Animators - Hamebansan Warlarpih and Asriel Wanchand

Edblazon 2022 started on the 4/04/22 and ended on the 9/04/22. It was full of activities and events and among them was an event of traditional archery. Traditional archery is archery using bows and arrows made of bamboo and the target made of banana tree. In this event, there was approx 150 participants and out of which only 4 winners claimed 1st and runners up from both male and female category. The winners from male category is Silvanus Lymphuid of Economics 2nd Semester who got 1st and Rupert Vincent. B .Riwan who is the runners up. From the female category, the winners are Medariphylla. L . Nongbri from Computer Science 6th Semester who got 1st and Mebaaihun. T . Kharsyntiew from BA English 2nd Semester who is the runners up.

The working and co-operation of the teacher in-charge, the animators, volunteers and all the participants made this event a success.
