4. Duration (in hrs)	10:30am – 3:00pm
5. Name of the Incharge (Teacher)	Dr. Dipankar Shome
6. Name of the Incharge (Student)	Debanjan Tarafdar

7. Brief Report

A food fest was organised by the Culinary Club, St Edmund's college, Shillong, on the occasion of College week i.e, Edblazon 2023, dated 17.02. 2023 at the college premises. There were a total of 20 stalls comprising 3-5 participants each. The food items were categorised as traditional, continental, snacks, desserts and beverages, and bakery. Around 10:30 a.m. the inauguration of the event took place which was done by Prof. Monotosh Chakraborty, Vice principal (Administration). The food fest competition was organised to test the student's teamwork, collaboration and creativity in terms of food preparation and presentation. The idea behind was to teach them the entrepreneurship skills. The program started with the judgement of stalls by teachers from different departments at around 11:00 a.m.

Every stall did well and the students worked really hard, however based on the taste, quality and presentation the prize was given to only three stalls. Immediately after the judgement, the event was made open for all, where the students of the college, the faculty members and other guests were allowed to purchase and try the dishes from the various stalls. The price range for most of the food items was in between Rs 30 & Rs. 40. The participants were able to provide good quality and delicious food at an affordable price. Each and every customer was seen to be highly satisfied with the food quality. In fact, in some of the stalls, the food items were sold out within just half an hour. All the participants maintained proper cleanliness and hygiene of the stalls. The event was a great success in terms of a wide variety of food items and creative decoration of stalls from each class and was appreciated by everyone. The program came to an end at around 3:30 P.M
