Table Tennis is a well-loved indoor sport in St. Edmund's College, with excellent players among students as well as teachers. As part of our annual college week this year, Edblazon 2023, students got a brilliant opportunity to showcase their skills in the Table Tennis Tournament.

For the smooth progression of the tournament, four animators were selected:

1. Manas P Das (Department of Commerce)
2. Daysun R. D. Shira (Department of Biochemistry)
3. Teranshel Tontang (Department of English)
4. Leeye Cathyrine (Department of History)

Sir Bertrand Dkhar was the teacher in-charge and he lent great support and guidance, ensuring that the games were conducted in a fair manner. He was instrumental in overseeing the whole tournament and making sure there were no bumps on the way. Students also saw a glimpse of his expertise in the exhibition match held on the last day of the tournament, the 16th of February.

To ensure maximum participation from the students, the Table Tennis Tournament had 5

categories, viz.

1. Men's Singles
2. Women's Singles
3. Men's Doubles
4. Women's Doubles
5. Mixed Doubles.

The tournament was conducted majorly in the College Auditorium, but a few rounds were also held in the AV room adjacent to the auditorium. The tournament began on the 11th of February, starting with the qualifying rounds due to a number of participants. The Semi-finals of all the categories were held on the 15th of February, 2023- the top players in the game giving their all to earn one step closer to being the champion. It was indeed highly exciting and nerve-wracking for the players as well as the spectators when the tournament reached its peak on the 16th of February, with only two remaining players and teams from each category set to fight for ultimate victory in the Tournament Finals.

After the culmination of the very fierce Final matches, the champions celebrated their rightful victory. The winners of the the 5 categories were:

1. Mr. Deonicious G. Chullai in Men's Singles.
2. Ms. Chuanna M. Marak in Women's Singles.
3. Mr. Deonicious G. Chullai and Mr. Tengro Meghan T Sangma in Men's Doubles.
4. Ms. Chuanna M. Marak and Tai Yam in Women's Doubles.
5. Mr. Karyom Dirchi and Ms. Chuanna M. Marak in Mixed Doubles.

A detailed list of winners is given in the next page.

Tournaments may only have 1 winner, but the other players definitely put up a really good fight. It was gratifying to see all the players uphold a good sportsmanship spirit and were extremely cooperative and helpful at all times. We had a collective total of about 60 players and teams from all the categories. Here is a list of some of the players of the Tournament:

Overall, the Table Tennis Tournament was a huge success, thanks to ardent participation of the students and unceasing support and guidance from the teachers. We hope Table Tennis continues to receive greater love and interest as a sport among the students and teachers alike in the years to come as well.

Thank you.
