UNDER THE LITERARY AND DRAMATIC SOCIETY

present an Essay Writing Competition

Statement:

Everyone agrees that Corruption is an evil that should be rooted out. And yet, everyone encounters countless instances when they are forced to endure or turn a blind eye to acts of corruption. Should the outcry against corruption be intensified? Are our methods even effective? Or is the more pertinent question that of whether corruption can ever be wiped out completely?

Date: 25.10.22 | Time: 2:30 | Venue: Room 1
