### Orientation on Usage of N-LIST and Registration

A follow-up of the Webinar on 17<sup>th</sup> June 2021 on "Awareness on Webinar on e- resources for Academic Libraries" was to orient our students on the merits of N-LIST and get them registered.

After seeking and getting the necessary permission from our respected Principal Dr. S. Lamare, we decided to proceed. Given the number of departments, a series of online Orientation Programs were organized for the current 1<sup>st</sup>, 3<sup>rd</sup> and 5<sup>th</sup> Semesters from the 20<sup>th</sup> to 27<sup>th</sup> September 2021. Initially it was proposed to be exclusively Department-wise. However, due to the low turnouts in the first few sessions, the later programs combined 2 or more departments. For all the online sessions the resource person was the College Librarian Ms Eujunita Bamon.

The program provided a gist of the benefits of N-LIST and the access to multiple e-books, articles and journals across subjects. Department wise, the programs was conducted after class hours.

Out of a total of 2729 students in the odd semesters, a total number of 1211 (44.4 %) students either filled the Google form or the offline form in the Library. All those who provided their details have been registered for N-LIST by the Library. While many have already activated their accounts, a significant number are yet to do so despite repeated requests.
