REPORT BY: Prachurjya Borgohain, Department of Political Science, 5th Semester

On 17th December 2022, Music Society of SEC organized a program to celebrate pre-Christmas. The celebration was held in the coffee corner. The entire place was beautifully decorated with lights. Students and faculty members were very excited and were enthusiastic for the celebration. Students came to college wearing glamorous and catchy dresses.

Many also came with used-clothes etc and put them in the drop boxes.

The program began at 2pm with a welcome song “C'mon Ring Those Bells”. There were 21 performances lined up for the evening. One of which was a performance by the College Choir of “Jingle bells” on the theme of Christmas.
