MAHINDRA PRIDE CLASSROOM

We are pleased to announce **the Mahindra Pride Classroom** which is a flagship Corporate Social Responsibility (CSR) Livelihood programme of the Mahindra and Mahindra group and is fully implemented by the Naandi Foundation.

The Mahindra Pride team strongly believes that apart from academic education, Skill Development is also required for students when they step out into the professional world. It is imperative for young adults to be equipped with essential life skills and soft skills. While certain skills may be acquired through everyday experience at home, Classroom or College, they are not sufficient to adequately equip the youth in today's complex world.

The session was conducted at St. Edmund's College for our senior female students including the alumnae of the college from 2.30 pm to 6.30 pm between the 07th of August and 18th of August 2023.

The Mahindra Pride Classroom aims to help students to:

- Develop an identity and improve their self-esteem.
- Manage emotions and face challenges.
- Build relationships and polish their interpersonal skills.
- Enhance and improve employability skills.
- Improve personal and professional effectiveness.

The life skills component of the training module has helped to transform the learners into confident, determined, goal-oriented youth – a personality shift essential for them to pursue successful careers in the sectors of their choice.

It has helped improve students' understanding of the world and their role and responsibility towards it. It has also enabled them in finding ways to cope with the challenges that life throws at them. These young adults who underwent our training, firmly believe that they will be able to live a more productive and fulfilling life.

About Naandi

Naandi, which in Sanskrit means a new beginning, is one of the largest and fastest growing social sector organizations in India working to make poverty history. Naandi has been partnering with various state governments, corporate houses, and international and national development organizations and showcasing large scale successful delivery of public services.

Currently, Naandi is demonstrating the value of creating new social entrepreneurs by setting up social businesses that are even more efficient and closer to community needs than traditional grant-funded activities. Thus, safe drinking water, support to elementary school going urban children, skilling for unemployed youth and agriculture marketing are the four ventures in existence over and above the free services of Naandi.

Mahindra Pride Classroom

Since 2016, Mahindra Pride Classroom (MPC) has been rendering yeoman service to final year students of Government Engineering Colleges/Polytechnics/Arts & Science and ITI's across 20 states in the country. The training program's focus is to enhance beneficiaries' employability prospects via a 40 to 120-hour carefully designed module. Thus far, MPCs have empowered over 560886 youth with the skills needed to get a job and empower them with future-ready skills adapting to the constant change- and we have also been placing a significant number of them through our many JOB UTSAV's with reputed employers since inception. The complete costs of the training and placements are underwritten by the Mahindra group as part of their CSR contribution.

Towards the vision to develop 21st-century competencies to empower and equip youth for employment and lifelong learning Mahindra Pride Classroom offers a hybrid training model, bringing together conventional wisdom in skill training and the power of technology.

Under this initiative, specially selected and skilled adjunct faculty deliver skill-based training that helps the youth to build competencies that meet the industry's expectations.
