

REPORT ON
Workshop on Career Opportunities and Emerging Fields in Science

1. **Title:** Workshop on Career Opportunities and Emerging Fields in Science
2. **Objective:** The workshop was organized to create awareness among Life Science students about emerging career opportunities and interdisciplinary fields in science. It aimed to equip students with knowledge of future pathways, essential skills, and informed decision-making for academic and professional growth.
3. **Date:** 18th March 2026
4. **Duration:** 2:00 – 3:00 PM
5. **Collaborations:** The workshop was jointly organized by Assam Downtown University in collaboration with the Science Club and IQAC, St. Edmund's College.
6. **No. of Participants (Students):**
Life Science students from various departments actively participated in the workshop.
7. **No of faculty:**
Faculty members from Life Science departments attended and facilitated the session.
8. **No of student organizers:**
Members of the Science Club assisted in organizing and coordinating the workshop.
9. **Outcome:**
 - Career Awareness: Students gained insights into diverse and emerging career opportunities in science.
 - Interdisciplinary Exposure: The session highlighted the importance of interdisciplinary approaches in modern scientific research and careers.
 - Guidance from Expert: Dr. Rajeev Sarmah provided valuable perspectives on future pathways in science and research.
 - Skill Development: Students were encouraged to develop essential skills required for evolving scientific fields.
 - Informed Decision-Making: The workshop motivated students to explore various domains and make well-informed career choices aligned with their interests.
10. **Feedback:** Students appreciated the informative and insightful nature of the session. The interaction with the resource person was found to be engaging and helpful in clarifying career-related queries. The workshop successfully motivated students to explore emerging scientific fields.

**Workshop on Career Opportunities
and Emerging Fields in Science
Jointly Organized by
Assam Downtown University
with
Science Club & IQAC, St. Edmund's College**

**18th March 2026
2:00 PM (Room - 6)**

Undergraduate students from Life Science Departments are invited to register and participate in the workshop.

This workshop will introduce students to exciting emerging areas of science and highlight career pathways in biotechnology, microbiology, forensic science, nutrition, plant science, and related interdisciplinary fields.

6th semester students from the following departments are encouraged to participate: Biochemistry, Biotechnology, Environmental Science, Zoology and Botany
