ACTION TAKEN REPORT [ATR]

STUDENT SATISFACTION SURVEY (2023-24)

Twenty-five (25) questions on four different subheadings were designed and circulated through Google form among the graduating batch of 2024. The objective responses were received from 668 students across all departments. The responses were recorded, graphically represented using liekart scale. The concerns raised on certain parameters were identified and they are:

- The college canteen should provide good quality food and maintain cleanliness at a subsidized rate
- Office staff to be more helpful and provide good support and assistance to students
- College library be more accessible through online educational resources, more e resources to be licensed.
- To conduct lectures from experts on soft skills specialized topics and add on courses.
- More Assignments to be incorporated in the teaching learning process.

The feedback obtained were forwarded to the Executive Committee {EC} of the college along with the ATR for necessary interventions. The plan of action to meet the student's expectation on these parameters are to be drawn and put in place.

ACTION TAKEN REPORT (ATR) Parents Feedback [2023-24]

The questionnaire was circulated to the students of second and fourth semester across all streams via google form with a request for their Parents / Guardian to provide objective response against each question. There was total 14 questions covering all the broad aspects of teaching-learning process, infrastructure including Library & Canteen facilities, evaluation and examination system adopted by the College. The responses were recorded, analyzed, and represented using Likert data analysis tool (Excel).

It is highlighted that Canteen facility, counselling activities, use of ICT to enhance the teaching learning activities would require objective interventions.

The graphical representation of the responses and the observation of the IQAC is hereby forwarded to Executive Committee (EC) of the college for follow up actions, as deemed fit.
