ACTION TAKEN REPORT

The questionnaire was circulated to the students of second and fourth semester across all streams via google form with a request for their Parents / Guardian to provide objective response against each question. There was total 14 questions covering all the broad aspects of teaching- learning process, infrastructure including Library & Canteen facilities, evaluation and examination system adopted by the College. The responses were recorded, analyzed, and represented using Likert data analysis tool (Excel).

It is highlighted that Canteen facility, counselling activities, use of ICT to enhance the teaching learning activities would require objective interventions.

The graphical representation of the responses and the observation of the IQAC is hereby forwarded to Executive Committee (EC) of the college for follow up actions, as deemed fit.
