REPORT ON THE WORKSHOP

1. **TITLE:** Inaugural Dr. I. Nongrum Memorial Lecture
2. **Duration:** 1 Day
3. **Dates:** 24<sup>th</sup> July, 2023
4. **Resource Person:** Dr. Suman Kumaria  
Professor,  
Department of Botany,  
NEHU
- 5.: **No of Participants:** 120
5. **Outcome :**

Through the Memorial Lecture, the students gained a deeper understanding of the innovations, applications, and future perspectives of Plant Biotechnology through the insights shared by the distinguished speaker. The Lecture provided a platform for the dissemination of cutting-edge research and developments in Plant Biotechnology, contributing to the expansion of knowledge in the field. After this talk the students were more motivated to explore new avenues of research in Plant Biotechnology, driven by the showcased advancements and potential discussed during the talk by Dr. Suman Kumaria while she encouraged them to apply these concepts in real-world scenarios. This talk has also, to a certain extent help our students in making informed decisions regarding their academic and research paths.

**DR. I. NONGRUM  
MEMORIAL LECTURE**

Theme: Harnessing the Power of  
Plant Biotechnology:  
Innovations, Applications and  
Future Perspectives

**24, JULY, 2023  
11 AM - 1 PM  
COLLEGE AUDITORIUM**

Target Audience:  
Undergraduate  
Students from Life  
Science Departments
