  - b. Brooder preparation
  - c. Feeding and Caring

# Department of Zoology

## St. Edmund's College

NAAC Accredited A

Besides learning during the technical sessions, the students also had interactive session with the staff, Hands-on activities, and were taken to observe and study the Poultry Farm.

### Feedback:

The students expressed their gratitude towards the Management and Faculty for the trip which was “an incredible experience”, “providing valuable practical knowledge that complements classroom learning”, and “an enlightening experience exposing them to the meticulous processes involved in poultry farming”.

Further, the students suggested post-visit workshops to discuss and reinforce the knowledge gained during such field trips.
