

Teachers use ICT enabled tools for effective teaching-learning process.

- The faculty members use different tools for effective teaching learning process such as:
 - **Virtual Classroom Tools**
 - **Zoom:** Some faculty members engage with the students beyond classrooms by using the Zoom platform for their remedial and extra classes.
 - **Google Meet:** Faculty members also engage with the students and agency supervisors for outdoor activities such as Fieldwork, meetings etc.
 - **Online Collaboration Tools**
 - **Google Docs:** This cloud based word processing tool is widely used by the students as well as the faculty members for document editing especially for report writing and presentations of fieldwork activities.
 - **Microsoft Office Tools:** The students and the faculty members extensively use this tool for making presentations and spreadsheets deemed important for the MSW course.
 - **Communication Tools**
 - **Whatsapp Groups:** The department constantly engages with the students through whatsapp by creating groups based on different classifications such as Semester group, Rural Camp group, fieldwork group and dissertation group etc.
 - **Multimedia Tools**
 - **Canva:** The department uses this multimedia tool to prepare reports such as Rural Camp, Study Tour etc which allows the department to create graphic designs and presentations.
 - **YouTube:** The department uses this platform to share videos of education content for the students in the classroom as well as outside the classroom.
- These ICT tools are user- friendly, accessible, and widely used by the students as well as the faculty member to support their learning, communication, and collaboration.
