12. OUTCOME OF THE PROGRAMME

1. Students got the opportunity to chat with a professional sportsperson. They were also able to understand the challenges that one must be willing to face in order to achieve greatness. They were greatly inspired by the unassuming and friendly speaker who encouraged them to chase their dreams.
2. Students were made aware of career avenues available for Literature graduate in the field of IT. They were also made aware of the exciting scope that technology offers to help make literary studies more attractive and relatable.
3. Participants were given a rare glimpse into the human side of the Covid 19 pandemic and also of the challenges faced by the frontline workers as well as their indomitable spirit as they

fight to save lives. It made everyone appreciate the efforts made by these brave warriors while at the same time it created a shared sense of responsibility as civil society to create a safe and healthy environment for everyone.
