

Event: World Environment Day, 2021**Date: 5th June, 2021**

The students and members of the N.O.W. Eco-Club and Department of Environmental Science, St. Edmund's College observed World Environment Day on the 5th of June 2021 by planting trees in their residences or native places and Biwel Binong of 4th semester organized plogging and tree plantation event at Marngar Village.

This year's World Environment Day, 5 June 2021, was about preventing, halting, and reversing environmental damages to our Earth's ecosystems. It focuses in the ecosystem restoration and its theme is "Reimagine. Recreate. Restore." Ecosystem restoration means preventing, halting and reversing this damage – to go from exploiting nature to healing it.
