

Event: International Day for Biological Diversity**Date: 22nd May 2022**

N.O.W Eco-club and the Department of Environmental Science, St. Edmund's College is celebrating International Day for Biological Diversity on the 22nd May 2022 with a theme "Building a shared future for all life" by organizing a 1 Minute Film Competition. The Secretariat of the Convention on Biological Diversity is pleased to announce the Biodiversity Day 2022 slogan: "**Building a shared future for all life**". The slogan was chosen to continue building momentum and support for the post-2020 global biodiversity framework to be adopted at the upcoming UN Biodiversity Conference #COP15. The slogan is available in the 6 United Nations languages. Biodiversity remains the answer to several sustainable development challenges. From nature-based solutions to climate, health issues, food and water security, and sustainable livelihoods, biodiversity is the foundation upon which we can build back better.

In this competition, Vania Shadap, B.Sc. 4th semester, Department of Environmental Science bagged the first prize.
