

Event: World Environment Day**Date: 26th June, 2019**

The N.O.W Eco-club along with the NSS Unit the college celebrated the World Environment Day on 16th June, 2019, with a Cleaning drive programme of the College campus and an Awareness talk on Littering. The students and the volunteers identified areas in the college where there is litter and divided the students into groups for the cleaning drive. Students were distributed brooms, dustbins and other cleaning items and started cleaning and picking up the litter. The garbage was collected in a big dustbin. A number of students also talked to fellow students and spread messages to stop littering and the proper management of wastes. The students, volunteers as well as the animators finished up with the cleaning drive.
