

Event: World Water Day**Date: 22nd March 2022**

N.O.W Eco-club and the Department of Environmental Science, St. Edmund's College organized an online Photography/Painting/Sketching Competition on the occasion of World Water Day, 2022.

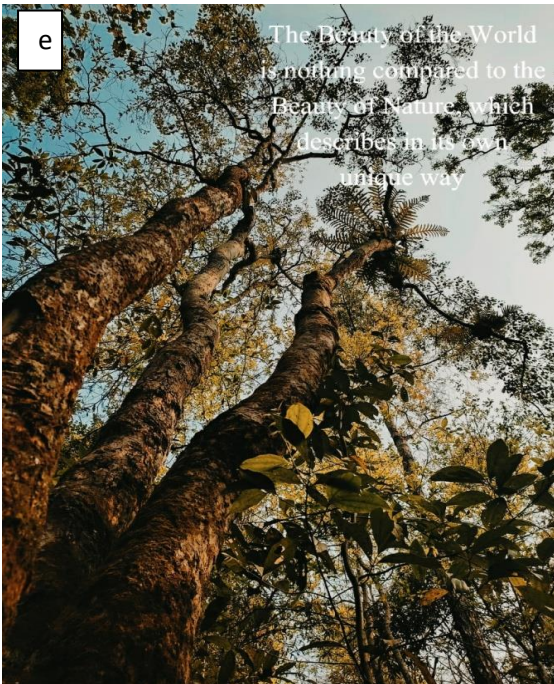

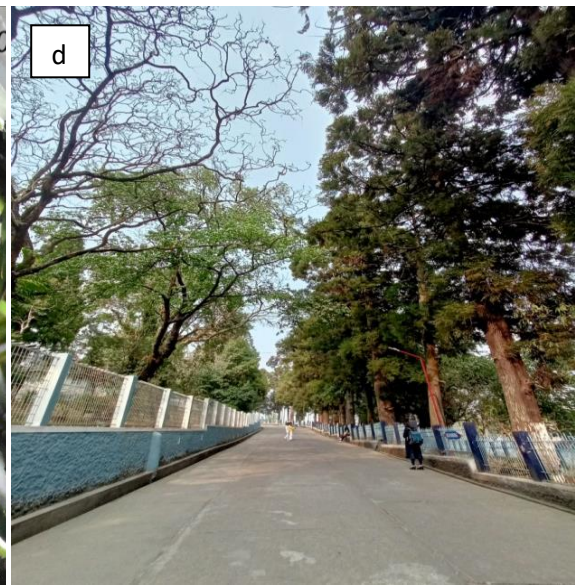

World Water Day, on 22 March every year, is about focusing attention on the importance of water. This year's theme 'groundwater', draws attention to the hidden water resource that has always been critically important but not fully recognized in sustainable development policymaking.

In this competition, there were 9 participants of whom Ginbiaklian Tombing, B.Sc. 2nd semester, Department of Environmental Science bagged the first prize; Ahsan Sabry, BSW 2nd semester, Department of Social Work got second prize and third prize was won by Edimon Kharkongor, B.Sc. 4th semester, Department of Mathematics.
