## Report

The Free Dental Camp was organised in the premises of the college by Department of Biochemistry, St. Edmund's College in collaboration with Ram Lal Anand College, New Delhi and funded by ICMR, New Delhi under the ongoing project "Alterations in the oral microbiome of Betel nut chewing population of North-Eastern India and its Correlation with Oral Cancers: Prospecting Microbial Consortium for Therapeutic effect". Dr. Aleycia Syiemlieh, Orro-Jewel Clinic, Shillong actively participated as the dental physician. A total of 102 participants attended the 4 days Free Dental Camp. The medicine was provided by Meghalaya Medical Sales and Representatives Union, Shillong.
