To

The Principal,

*St. Edmund's College, Laitumkhrah,
Shillong-793003, Meghalaya*

Subject: Submission of Internship Applications under NEP 2020 – Reg.

Sir/Madam,

This is with respect to the student internship programme, at Department of Research. It has been observed that students from various colleges of Arunachal as well as from outside the state are submitting applications for internship, duly forwarded by their respective Principals, at different times during their vacation period every year. The submission of applications on a random basis makes difficult for this Department to effectively plan and conduct the internship programme under the National Education Policy (NEP) 2020.

As the Department is simultaneously engaged in its regular official functions, it is not always feasible to spare officers for supervising, mentoring, and conducting internship programmes. The quality and effectiveness of the internship programme depend upon proper planning, allocation of mentors, and scheduling of departmental activities.

In view of the above, the college authorities are kindly requested to consolidate the internship applications of their students and forward them to this Department in one batch, along with the complete list of students, well in advance, preferably during the month of April or by the first week of May every year. This will enable the Department to make the necessary administrative arrangements and prepare for the internship programme in an organized manner.

Further, from the next academic year, the Research Department shall conduct internship programmes in only two slots as under:

First Slot: During the month of June.

Second Slot: During the month of July.

The duration of each internship shall be of 4/6 weeks or such other period as prescribed under the guidelines of NEP 2020 and the respective university/college.

*RECEIVED
22.7.2026*

The colleges are requested to plan accordingly and ensure that internship applications are submitted within the stipulated timeline to facilitate smooth and effective implementation of the programme.

This is issued for your kind information and necessary action.

Yours faithfully,
